Clarifying Question RFP 2017

In consideration of the fact that Tab 8: Performance Matrix was not fully uploaded onto the Maine Charter School Commission's website, I would like to request that ALL applicants receive an extension of time to complete the Performance Measures and narrative component of A4. Assessment (leaving all other parts of the application due by the existing deadline). A one-week extension would be helpful to properly design the full scope of performance measures for the proposed charter school.

Answer

Applicants may have a one week extension of the application deadline, to September 1, 2016 at 5:00 pm, only to complete Tab 8: Performance Measures and the narrative portion for A4, if needed. However, as a reminder, **ALL other components of the application are due on August 25, 2016 by 5:00 pm.**
